Literary Focus: Characterization Characterization is the art of creating and developing a character. There are two types of characterization: direct and indirect. In direct characterization, writers make direct extensions about a characterization and personality. In indirect characterization
statements about a character's appearance and personality. In <b>indirect characterization</b> character's traits are revealed through their own words and actions, as well as through the comments and actions of other characters.  13. In "Eleven," is Rachel's character revealed more through direct or indirect characterization? Explain.

9. Why does Rachel say the cake will be "too late"? [Interpret]
