

Strategies for Paraphrasing

Make the sentence as simple as you can.

Break down complex sentences into two smaller ones.

Write the paraphrase using words that explain. Include words like : because, therefore, however, into your sentence..

Put the information in a new order.

Use Synonyms

Change the expression from active to passive voice, or passive to active.

Use different vocabulary.

Transform words into different parts of speech, e.g., decision–>decide.

Stay away from plagerism.
